IV. Key Milestones - Thru FY2014 (re-set January 31, 2014)

V. Attachments:

- Stakeholder Groups and Transition Teams
- Accounts Payable Status: Invoice backlog reduction progress
- Strategic Procurement Organization Chart with Position Status

**1. Procurement of Specific Goods and Services
a. Travel and Expense Management**

- A. Conduct a Comprehensive Assessment** to document the travel service requirements for all traveler groups and locations.
- B. Secure Travel Management Company(S) and Electronic Travel Reimbursement System** through a competitive public process to provide unified on-line and agent assisted travel services that are integrated with a paperless travel reimbursement system.
- C. Contract with Preferred Travel Providers** for favorable pricing and service guarantees for transportation, airfare, and lodging to the extent practicable in the context of the specific needs of University
- D. Update Travel and Expense Administrative Practice Letter (APL)** with clear guidelines for areas such as tipping, per diem rates in high cost destinations, and exceptions for unique travel needs.
- E. Establish Unified Travel Administration** as part of a comprehensive University system-wide procurement strategy to provide consistent policies and services for all locations with a dedicated support structure. Staff would be located at both campus and system offices with emphasis on ensuring effective campus-based presence.

**1. Procurement of Specific Goods and Services
b. Other Commodities and Services (Strategic Sourcing)**

- A. Establish Multi-Campus Advisory Groups** with expertise in products and services being considered for competitive public bid.
- B. Develop Spend Analytics Methodology/Tools** to better identify products and services where the University system would save money and add value from a competitive public bid process.
- C. Implement Contract Management Process** to better manage suppliers, ensure consistent contract terms across the University system, eliminate redundant agreements, and identify opportunities for competitive public bids / re-bids.
- D. Conduct Competitive Public Bids** for key products and services such as electricity, IT hardware (in coordination with IT administrative review), promotional materials, custodial paper goods, scientific equipment, commercial print, temporary employment, books/periodicals, vehicle services and parts, and prospect lists.
- E. Expand the Breadth of Products** available with favorable pricing and contract Terms by increasing **MaineStreet Marketplace (MSM)** catalog suppliers and migrating procurement activity from procurement card (Pcard) to MSM as appropriate.

2. Procurement Card (Pcard) Administration

- A. Deliver System-Wide Pcard Service, Support and Training** for all locations as part a comprehensive support strategy for all procurement platforms (i.e., Pcard, MaineStreet Marketplace (MSM), Travel & Expense).
- B. Establish Benchmarks and Standards** for Pcard issuance and approvals to be administered consistently across the University system.
- C. Re-bid Pcard Services** following a competitive public process to better meet Pcard user requirements and administration and **include travel expense** management.
- D. Establish Unified Pcard Administration** as part of a comprehensive University system-wide procurement strategy to provide consistent policies and services for all locations with a dedicated support structure. Staff would be located at both campus and system offices with emphasis on ensuring effective campus-based presence.

3. Structural Resources and Efficiencies (Procurement Organization Structure)

- A. Transition to a Unified Strategic Procurement Organization** operating as a shared system-wide service reporting to the Chancellor or the Chancellor's designee and advised by the Shared Services Advisory Council and the President's Council. The organization would consist of three functional units: Procurement Operations, Procurement Services, and Strategic Sourcing with staff located at both campus and system offices with emphasis on ensuring effective campus-based presence.
- B. Create a Procurement Operations Unit** within the unified strategic procurement organization responsible for accounts payable, travel and Pcard administration, procurement systems administration, and management of procurement related data.
- C. Create a Procurement Services Unit** within the unified strategic procurement organization to provide consistent, system-wide training and support, coordinate procurement activity for individual campuses, oversee quality assurance and compliance, and conduct special projects as required by legislative and regulatory mandates.
- D. Create a Strategic Sourcing Unit** within the unified strategic procurement organization to facilitate public competitive bids, analyze spend data, develop research and reporting methodologies, establish campus-based advisory groups, monitor supplier performance, and manage contract activity.
- E. Establish Assessment Process** for each unit defining evaluation criteria and review process for achieving service, efficiency, and expense reduction goals.
- F. Improve Mechanisms for Exception Process and Feedback** that provide flexibility for unique requirements and create a better process for incorporating suggestions from shoppers about goods or services where they believe additional savings could be obtained.

Key Accomplishments

- Strategic Procurement Staffing
 - > Procurement Services:
 - Special Projects filled on an interim basis by Anne-Marie Nadeau as of March 31, 2014.
 - Interviews for five (5) Campus support positions completed for internal procurement staff
 - One UM support position does not have an internal procurement candidate. Therefore the position has been re-posted for any University internal candidates.
 - Multi-campus Procurement Transition Support team weekly meetings continue (team member listing attached)
 - > Procurement Operations:
 - Travel Administrator position filled. Internal candidate Nina Conners will transition into the position starting April 7, 2014
 - Data Administrator Job Description completed for HR review.
 - > Strategic Sourcing:
 - IT Category Manager position filled - Robin Cyr began the new position on March 31, 2014
 - Transportation Category Manager position filled - Matthew Robinson will begin the new position on April 14th, 2014
 - Academic Category Manager position interviews completed
 - Data Analysis Job Description completed for HR review.
 - Multi-campus Sourcing Transition meetings continue (team member listing attached)
- Accounts Payable
 - > Continue to monitor and manage invoice processing workflow (report attached)
 - > Draft contract and pricing confirmed for invoice processing system improvements (AP Director). Return on Investment (ROI) model being reviewed.
- Performance and Budget Tracking and Communication
 - > Finalizing contract for 3rd party review of savings calculations

Areas of Concern

- Currently on-plan as reset in January 2014

Key Next Steps

- Strategic Procurement Staffing
 - > Strategic Sourcing: Complete Category Manager hires, Post Data Analysis position
 - > Position Postings: Procurement Services Director, Procurement Operations Director
- Accounts Payable Efficiency Module (AP Director)
 - > Complete contract and schedule ITS resources to support implementation
- Performance and Budget Tracking and Communication
 - > Test and release strategic procurement satisfaction survey
 - > Define and implement assessment process for each unit defining evaluation criteria and review process for achieving service, efficiency, and expense reduction goals

Procurement: Strategic Sourcing

Status:	
----------------	--

Key Accomplishments

- Key Sourcing Initiatives:
 - > Developed on-line tracking database for Sourcing Initiatives
 - > Energy Consultancy Agreement: Proposals scored, presentations scheduled for April
 - > IT Hardware: Reference calls completed, final recommendation in progress
 - > Washer/Dryers for Residence Halls: Request for Proposal (RFP) released, proposals expected back on May 1, 2014
 - > WEX Fuel Card: UMS joined State of Maine contract and new cards being issued with significantly improved terms
 - > Vehicles: New State of ME contract being executed which will include UMS at significantly lower cost than individual campus initiatives
 - > Scientific Equipment: Higher Ed consortium contract through E&I being reviewed
 - > Copiers: contract and usage being reviewed
- Information Technology (IT) Sourcing
 - > Held initial meeting with UMS IT management and new IT Category Manager to identify opportunities for Sourcing initiatives.
- Spend Analysis and Savings Methodology
 - > Contracted 3rd party analysis firm began work to create searchable database to identify Sourcing opportunities and document savings.
 - > Developed savings models for documenting savings for specific Sourcing initiatives based on State of ME and Higher Ed best practices
 - > Finalizing contract for 3rd party validation of savings models methodology and savings documented for completed project to date

Areas of Concern

- New Sourcing initiatives delayed due to Sourcing Staff hiring delays. Issue being addressed as follows:
 - > 3 of 4 category manager positions now filled; Interviews completed for 4th position
 - > finding opportunities to leverage State of ME and Higher Consortium publically bid contracts for immediate savings

Key Next Steps

- Key Sourcing Initiatives
 - > Move forward with key initiatives listed above
 - > Develop communications plan for providing status updates for key initiatives
- Spend Analysis and Savings Methodology:
 - > Monitor work being done by spend analytics firm for go-live in May.
 - > Execute contract with 3rd party firm to validate savings model and savings calculations for individual initiatives
- Schedule meeting with State of Maine procurement team to meet the new UMS Strategic Sourcing Team
